

## Details

Units:	14
Site Size:	0.3 acres
Council:	Hackney
Affordable housing:	N/A

This new build development consists of 14 private apartments and 7,000 sq.ft of commercial space.

The construction process was a complicated one as the site abuts a busy elevated railway line and the building itself covers 100% of the site.

Nevertheless, this development was delivered on time and on budget.
